

## Numeracy

- Make up some true or false place value questions to ask the class
- Make a maths quiz to share with the class
- Write out a times table between x6 and x12 and learn it by heart.

## Science

- Write a list of 10 things made from wood or metal. Draw some of the items on your list.

Find out how plastic is made, draw 5 different things made from plastic

## Literacy

- Write a short story (300 words). Make it an adventure story.
- Write an acrostic poem about Ancient Egypt
- Using materials as your theme, collect words and make a word search

## History/Geography

- Create an Egyptian themed board or card game and teach family members how to play.
- Make up a quiz about Egypt to test your friends in school! (You need to know the answers!)

## Class 2 Homework Choice Grid

AUTUMN 2021

### Walk Like An Egyptian

Choose any 3 tasks to complete

## Creative Activities

- Design and create and make a piece of jewellery from Ancient Egypt
- Write a rap, song or poem about hope

## Let's Get Technical!

- Make a fun game that includes different materials
- Find out and write down ten amazing facts about Egypt

## Health and Wellbeing

- What ten things would you take with you on a trip to Egypt?
- Design a wake and shake routine that lasts 10 minutes to teach the class.

## Making And Doing!

- Make/draw the pyramids at Giza in Egypt
- Paint/draw Tutankhamun's mask
- Create a map of the river Nile
