

HOW DO I ENROL?

We hope that if you are interested in our School you will make a preliminary visit when the headteacher will be pleased to meet you and show you the type of education that we can offer.

In Year Admissions – these are managed by the school in conjunction with the Local Authority (LA). An application form can be obtained from the school and then returned to the school who will then make the decision about admission. If there is an available place in the year group this will be granted, otherwise the school will liaise with the LA about going over numbers.

Where an application has been refused in any year group, the child will be placed on a waiting list. This will be kept strictly in order of oversubscription criteria by the Local Authority, as the Admission Authority, and the child will remain on the waiting list until the end of the academic year in which the application was refused. Parents are responsible for informing the Admission Authority of any changes in their circumstances, which could affect their place on the waiting list.

First Admissions - The (LA) ask you to enrol for a school of your choice by January, prior to their September entry into the Reception year. Pupil detail forms will be sent to you by the LA and should be returned to them by the stated date which is currently January and they then allocate the places at the beginning of the Summer Term.

The LA is the admission authority for this school and places are allocated in accordance with their published arrangements. A copy of these arrangements can be obtained by telephoning the Parentline on (0845) 6045555. All calls are charged at local rates.

If you accept the place you will then be informed of our school induction programme, which includes: play-to-learn sessions, pre-school visits and a meeting for new parents, during the Summer Term.

STARTING SCHOOL

Langford Budville admits children in accordance with LA policy on First Admissions to School. This means that most children will have the opportunity to start School at the beginning of the School Year in which they become 5. The children will start part-time and quickly build up to full-time and the process will be explained during the summer term before starting school as part of the induction process.
