Year 2 & 6 SATs Information Evening Thursday 17th January 6-6.30pm

Dear Parents/Guardians,

As you are aware, your child will be sitting the end of Key Stage 1 or 2 Standard Assessment Tests (SATs) on May 13th – 16th inclusive. We are working hard with your child to help them prepare. Part of this preparation will involve you supporting your child with some additional homework.

To this end, we have prepared a short presentation evening on **Thursday 17th January at 6pm**, where you will be given full details of the tests, see examples of some sample papers and have the opportunity to ask questions. In addition, we will recommend useful resources that can help your child feel more confident and well prepared to do their best in May. The resources will be posted to the school website as well as attached to this letter, but I urge you to come and see the presentation in person.

Please bring your child with you as the information is for them as well as you and you can take away some specially purchased support materials after the meeting.

Yours sincerely

Mrs Halstead., Mrs Davies & Miss Coombes

Year 2 & 6 SATs Information Evening Thursday 17th January 6-6.30pm

I/We will be attending the information evening.

Name of Child _____ Class _____

Signed _____ Parent/Guardian

Useful links and resources

1. <http://www.bbc.co.uk/bitesize/ks2/> - fun games and activities for both Maths and Literacy.
2. <http://www.kidsmathgamesonline.com/geometry.html> - good maths games to explore geometry skills.
3. <http://www.primaryhomeworkhelp.co.uk/maths/> Loads of links to all sorts of maths games.
4. <http://primaryhomeworkhelp.co.uk/interactive/literacy/index.htm> Good for general English skills.
5. <https://www.educationquizzes.com/free-quizzes/> links to Maths & English quizzes.
6. <http://www.spellingcity.com/churchlane/> - a fantastic spelling website set-up by another Year 6 teacher – lots of previous spelling tests which are great for practice
7. <http://www.compare4kids.co.uk/spag.php> - SPAG Test
8. Several bookshops including WHSmith produce useful SATs booklets you can buy.
9. Use MyMaths to practise using the SATs Booster sessions & of course TTRockstars will help develop speed and recall of times tables.
10. **Read. Read. Read.** Comprehension & vocabulary will be boosted just by reading and talking to your child about their current reading books.
