

Numeracy

- Create some space themed maths word problems.
- Work out the distance of each planet from the sun in miles, kilometres and metres.
- Design a symmetrical Greek pattern.

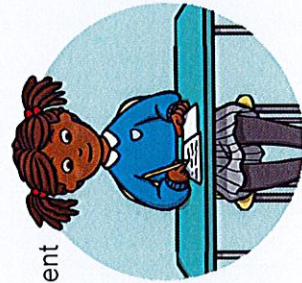

Working with Others

- Create an ancient Greek themed board or card game and teach friends or family members how to play.

- Work with a friend or family member to design an alien. Draw and label any unique features.
- Create a mnemonic to help friends or family members remember the order of the planets.
 - Make up a space/ancient Greek quiz! You need to know the answers!

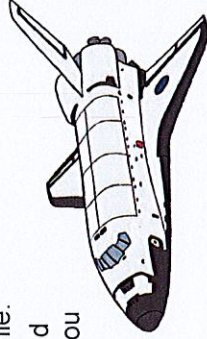

Let's Get Technical!

- Create a model of an ancient Greek temple.
- Find out and write down ten amazing facts about space travel!
- Create a space mobile to hang in the classroom.

Out and About!

- Build and launch a rocket. What did you do?
- Visit your local library. Find some non-fiction books about the ancient Greeks and create a top 10 fact file.
- Observe the night sky and note any constellations you see.

Class 2 Homework Choice Grid Spring 2020 What on Earth?

Choose at least 3 tasks to complete this term. Really challenge yourself!

Health and Wellbeing

- What ten things would you would find in a home in ancient Greece? Make a list & give reasons for each item.
- Complete a labelled diagram showing the effects that space has on an astronaut's body.

Literacy

- Write a space adventure themed poem or story.
- Write a kenning poem about an ancient Greek myth.
- Write a newspaper report about the Moon landing in 1969.
- Make a word search with tricky space words.

Expressive Arts

- Create a painting or drawing of a space scene using your choice of materials.
- Write a space rap or song about a planet.
- Design a piece of Greek jewellery or a costume.

Social Studies

- Create a drawing of an Ancient Greek God.
- Write a fact file on Neil Armstrong or another famous astronaut.
- What countries have put astronauts into space? Mark them on a map of the world. Who has the most astronauts?
